██████████ states that ██████████ explained to the Sergeant that ██████████ and ██████████ were moving down the street, but the officer did not have to come and curse them out. ██████████ added that the Sergeant apologized for his officer's behavior; the Sergeant removed ██████████ phone and said, "You were video recording and you know that is a felony offense." According to ██████████ Officer RYAN grabbed ██████████ arm, yanked it, and placed hand cuffs on ██████████

██████████ stated that Officer RAY said in ██████████ ear, "I got you fat fuck, you piece of shit." ██████████ continued and related that the Sergeant called the officer that was taking pictures and asked him if he knew how to work the phone. ██████████ added that as Officer RYAN was escorting ██████████ to the police car, Officer RYAN said, "I got yo ass right now, you don't work, you don't do shit." In addition, ██████████ said while being escorted, Officer RYAN was pulling ██████████ hair and kneed ██████████ in the back. ██████████ said he yelled to the Sergeant, "Don't you see him pulling my hair and kneeling me in the back." ██████████ said that the Sergeant did not respond or do anything. Officer RYAN then placed ██████████ in the squad car after retrieving ██████████ identification card.

██████████ further related that ██████████ was at the police car door along with the Sergeant. ██████████ said, "The Sergeant told my auntie to tell me what he told her." ██████████ related that RYAN told him if ██████████ makes a complaint, the officers will come back and lock ██████████ up say that ██████████ was video recording. ██████████ said, "Ok, I'm not going to make a complaint." ██████████ continued and related that after stating he would not make a complaint, another officer removed the handcuffs; then Officer RYAN came over and said he had to write a contact card and ██████████ received his phone and identification card back.

██████████ related that after being removed from the police car, the Sergeant told ██████████ if you go make a complaint, we will come back and lock you up and say that you were video recording. The Sergeant then called Officer RYAN over to where ██████████ was standing and said, "both of you were wrong and that we are going to squash it right here." The Sergeant then said, "So nobody will make a complaint and it's squashed." ██████████ added that while walking back to the corner, ██████████ looked in his phone and discovered that the pictures were deleted.

R/I asked ██████████ who deleted the pictures; ██████████ replied, "I didn't see anyone delete the pictures, I just saw them handling the phone." R/I then asked ██████████ to identify all the officers that he described in his statement earlier; the details are as follow:
